Errata

A new digraphs composition with applications to de Bruijn and generalized de Bruijn digraphs[☆] [Discrete Applied Mathematics 77 (1997) 99–118]

Dominique Barth*, Marie-Claude Heydemann

LRI, UA 410 CNRS, bât 490, Université de Paris-Sud, 91405 Orsay Cedex, France

Unfortunately due to a technical error the year 1996 was printed in the running head instead of 1997.

Constructing efficient simulated annealing algorithms

Manuel Duque-Antón

Philips GmbH, Forschungslaboratorien, P. O. B. 500245, D-52085 Aachen, Germany

Unfortunately due to a technical error the author's name appeared incorrectly in the author index, 77 (1997) 307–308, as Manuel, D.-A. instead of Duque-Antón, M.
